Proudly Serving North Royalton Since 1941

rrnews@aol.com

We are your community newspaper

... we're also your neighbors and your friends.

The Royalton Recorder has been in publication since 1941. The success of the Recorder is mostly due to this community newspaper's connection with the residents of our city. Young and old alike embrace the Recorder as their own. We, at the Recorder, have the best interest of North Royalton at heart because we live here, our children go to school here, we worship here, we see you at the grocery store, at the post office, at school events, and all around town!

The news we print is just as important to us as it is to you! In addition to our in-depth coverage of our city government and school news, we also love receiving your birth, engagement, and wedding announcements; news about your academic achievers; new job or promotions. We remember those who have passed away with obituaries. As always, we welcome your story ideas. There's no better place to share your news item than the *Recorder*, because the...

North Royalton Chamber of Commerce: *Minding our business!*

Since 1918, the North Royalton Chamber of Commerce has been a mainstay in the community, working to help business develop and prosper. Now more than ever, belonging to the North Royalton Chamber helps our businesses reach their goals, and save a lot of money. Our members enjoy numerous tangible benefits, and through networking opportunities they expand their circle of influence. We want to help your business grow and be successful, because a community can only flourish when its businesses are thriving.

As a member of the Northern Ohio Area Chambers of Commerce (NOACC), North Royalton Chamber is able to offer its members significant savings in the way of health care insurance, workers' compensation, credit card processing, office supplies, retirement plan administration, overnight delivery, and more. NOACC is the largest independent chamber association in the United

States. NOACC currently offers business benefits to almost 35,000 employer groups through the membership of more than 120 chambers of commerce in Northern Ohio.

The Chamber of Commerce is very active in the community by participating or donating to a number of worthy causes. It also organizes and sponsors the annual Community Festival, and hosts the State of the City Address. Recognizing the importance of education, each year the Chamber offers scholarships to graduating high school seniors, and also sponsors the annual North Royalton City Schools Report.
