We are your community newspaper

... we're also your neighbors and your friends.

The Royalton Recorder has been in publication since 1941. The success of the Recorder is mostly due to this community newspaper's connection with the residents of our city. Young and old alike embrace the Recorder as their own. We, at the Recorder, have the best interest of North Royalton at heart because we live here, our children go to school here, we worship here, we see you at the grocery store, at the post office, at school events, and all around town!

The news we print is just as important to us as it is to you! In addition to our in-depth coverage of our city government and school news, we also love receiving your birth, engagement, and wedding announcements; news about your academic achievers; new job or promotions. We remember those who have passed away with obituaries. As always, we welcome your story ideas. There's no better place to share your news item than the *Recorder*, because the...

Royalton Recorder is the  of our hometown!
