Small business community emerging from a difficult year

By MARIA MAGNELLI

Recorder Editor

Slowly, but surely, things are beginning to return to a somewhat normal pace for our area businesses. Although employees of many companies are still working remotely, others are gradually returning to the workplace due to the easing up of restrictions.

Restaurants have had to reconfigure their dining rooms to give more space between tables. Booths were fitted with plexiglass dividers to keep each area separated and more private.

Shoppers were greeted in retail establishments by an employee armed with a spray bottle of disinfectant, coupled with sanitary wipes. Carts were cleaned before allowing their use by the next customer. Hair salons wiped down their stations before the next client was able to be serviced. Masks became a way of life until recently, and hopefully won't be returning anytime soon.

Understanding that we were all experiencing the same hardships, to one degree or another, the Recorder worked with small businesses to help keep them visible to the community. We introduced ways of helping our local merchants while they were struggling. Here are some of the ways residents can help

* Now that you are able to dine in a restaurant again, enjoy your meal and leave a nice tip with a "Thank You" on your bill, letting the server know you appreciate their help.

* Make it a point to eat out more often. It makes your day easier, and you are helping a local eatery.

* If you had a good experience, go on line and give the restaurant a good review.

* Buy gift cards to use another time, or give one as a birthday, anniversary, get well, or "just because" gift.

* While spending more time at home, you may have noticed repairs that need to be made. Contact our local painters, home improvement companies, landscapers, etc. to take care of needed items to beautify your

home.

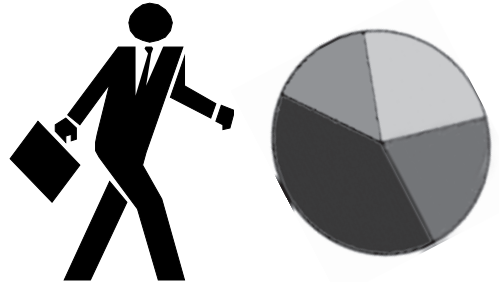

* Patronize local produce markets for your fresh fruits and vegetables.

* Offer your services to someone needing help. You don't know how helpful your kind gesture can be.

As we continue to emerge from the challenging year behind us, we look forward to a brighter future. We celebrate our many local businesses who are vital to the health of our community. They are a generous group, always willing to help a service organization with their fund-raising projects. They are always willing to support school projects, band boosters, athletic boosters, after prom, civic golf outings, and so on. Their support of our town and our support of them creates a beautiful mosaic of life in our hometown.

We hope you will support the businesses in this booklet. When you call on them for a service they provide, thank them for being here. We will get back to normal and we will know we did it together.

**Enjoy a Bigger
piece of the pie!**

Advertising in the Recorder brings response, results, and image penetration, and reaches 16,000 homes and businesses! A survey showed that 85% of respondents replied that they learned of upcoming events through the Recorder!

"Prior to meeting Dr. Frank (Dachtler), I tried several diets and none of them were successful. Under Dr. Dachtlers care and guidance, I learned how certain foods work and fuel your metabolism with NO PILLS. The biggest challenge was the lifestyle change. I have lost 73 lbs in 7 months and plan on losing another 15 lbs!" - Gayle P. (71yrs young), North Royalton

"I have lost over 40 lbs. and I feel better about everything. You can always call or text the HS team, even on weekends with questions or if you just need help." - Pauletta W., Rittman, OH

"Without Dr. Frank I wouldn't be where I am today. This was a complete life style change for me. I was able to lose 30 lbs in approximately 10 weeks. I did this while working full time and raising my 3 young kids. I have not only lost a significant amount of weight in a short time, but I have gained many health benefits as well. I had a chronic cough from bronchitis for over 3 months. Within a few weeks of being on plan, the cough went away. I have chronic tendinitis in my Achilles. Again, once I eliminated all the inflammatory foods I was eating, the inflammation was gone. He has taught me how to have a better relationship with food. He has changed my life!" -Michelle T.

The Royalton Recorder is in the process of compiling the 2022 Business Directory that will be mailed late this fall to EVERY residence and business in North Royalton PLUS a portion of Broadview Hts., and surrounding areas (Circulation is 16,000). The directory will also be on our website for one full year, giving your card great visibility. As a business, it is very important to keep your company name in the public eye.

Your Business Cards will be placed according to category of business. It will be in similar order as a Yellow Pages directory, but will include only full page feature ads and business cards. Residents use the directory often when searching for services or want to hire a local company. The directory also includes some very useful information and a 2022 calendar. The directory fills up quickly so positions will be taken on a first-come, first-served basis.

If you would like to be included in our Business Directory, please fill in this form and return it to the Royalton Recorder by November 12, 2021. Cost is \$55 per listing as a Chamber Member. Non-member rate is \$75 per card.

Please Return Bottom Portion With Order - Enclose two (2) business cards, along with payment of \$55 (Non-members pay \$75).

Cicero Law Firm, LLC

It has been a long year for the residents of North Royalton. It is refreshing to see everyone outside again enjoying themselves. When I found out that my cousin, Colin Cicero, was playing baseball, I decided that I wanted to sponsor his team. I am proud to be a North Royalton Baseball Boosters sponsor and want to continue to give back to the North Royalton community that helped me become who I am today.

I personally have been enjoying the summer spending time with my family while going to various fun events such as baseball games and amusement parks.

My brother, Brent Cicero, and I have recently moved into a new office space in Middleburg Heights in the beautiful Interstate Plaza. It has been a summer of change and I am looking forward to meeting new clients to discuss their estate planning needs with them.

Wills, Trusts, Probate, Medicaid Planning, & Estate Litigation.

Contact attorney Mark A. Cicero today for a consultation regarding all of your estate planning and probate needs.
