Chamber is helping your business grow to new heights

Since 1918, the North Royalton Chamber of Commerce has been a mainstay in the community, working to help business develop and prosper. Now more than ever, belonging to the North Royalton Chamber helps our businesses reach their goals, and save a lot of money. Our members enjoy numerous tangible benefits, and through networking opportunities they expand their circle of influence. We want to help your business grow and be successful, because a community can only flourish when its businesses are thriving.

As a member of the Northern Ohio Area Chambers of Commerce (NOACC), North Royalton Chamber is able to offer its members significant savings in the way of health care insurance, workers' compensation, credit card processing, office supplies, retirement plan administration, overnight delivery, and more. NOACC is the largest independent chamber association in the United States affiliated with more than 120 chambers of commerce in Northern Ohio.

The Chamber of Commerce is very active in the community by participating or donating to a number of worthy causes. It also organizes and sponsors the annual Community Festival, and hosts the State of the City Address. Recognizing the importance of education, each year the Chamber offers scholarships to graduating high school seniors, and also sponsors the annual North Royalton City Schools Report.

The Chamber office is located at 13737 State Road, North Royalton. Office hours are M-F from 9 a.m. to 5 p.m. To become a member or for more information, call 440-237-6180 or visit nroyaltonchamber.com for a membership application.

SICK & TIRED OF BEING SICK & TIRED?

Move Right, Eat Right, Think Right!!

BACK PAIN!!!

Technological Advances offer Relief in as Little as 3 Days!

**No Pills
No Surgery**

Real results, from real people...

"I injured my Back, Neck and Ribs in an auto accident a couple weeks ago. The meds from the E.R. made me sick and didn't help. Since starting treatment with HealthSource, I am feeling better, my energy levels are increasing, I can stand longer and sleep has improved. I always look forward to my appointments and the Doc's and staff support and care about me which keeps me motivated!" - **Bernard C., Cleveland, OH**

"No more sharp pain in the back or legs and I have been able to sit in the bleachers for my daughter's games without any pain or incident for the first time ever! I feel more flexible also, which makes work (carpenter) easier and more enjoyable." - **Sam S., Parma**

"...I would most definitely recommend HealthSource®. Due to the pain relief, I now have a totally different outlook on life." - **Kristen Rasmussen**

"...I finally found someone who understood my pain and gave me an option for how to fix my problem to avoid surgery." - **Barbara Clark, N. Royalton**

"I have not felt this good in about eight years. When I first came in, I thought this would just be a quick fix. Little did I know that with physical therapy and some sessions with the doctor that I could feel like I did in college." - **Kiley Finn**

"The Doctors are Great, the staff is Awesome, the facility is clean and it was easy to schedule appointments that worked for me. The Spinal Decompression WORKS!! My low back pain levels were a "9" out of 10 when I started. Now they are a "2" and I no longer have pain shooting into the leg. I am more active now and walking and just getting out of bed in the morning are pain free." - **Noreen J., Seven Hills, OH**
