WHY SUFFER WITH BACK PAIN?

TRY **NON-SURGICAL SPINAL DECOMPRESSION!**

Safe and Effective in the treatment of cervical and lumbar disc injuries.
This non-surgical treatment provides relief from even the worst pain.

"I have tried other chiropractors before but Broadview Chiropractic is the first to help me not be in pain anymore. Dr. Matt told me about the Decompression and I didn't think it was going to do anything different but it really worked! Work is better, I sleep better and even driving is comfortable now. I feel so much better and I tell everyone to go see them. The location is convenient and there service is friendly and professional." -Randy N.

"No more sharp pain in the back or legs and I have been able to sit in the bleachers for my daughters games without any pain or incident for the first time ever! I feel more flexible also which makes work (carpenter) easier and more enjoyable."
-Sam S., Parma

"I had shooting pain into the legs and couldn't exercise, walk, sleep through the night or even put on my socks. Within a couple weeks the leg pain was gone and I am exercising (but carefully) again! I am so happy with the results." - Kevin K, Broadview Hts.

"The Doctors are Great, the staff is Awesome, the facility is clean and it was easy to schedule appointments that worked for me. The Spinal Decompression WORKS!! My low back pain levels were a "9" out of 10 when I started. Now they are a "2" and I no longer have pain shooting into the leg. I am more active now and walking and just getting out of bed in the morning are pain free." -Noreen J., Seven Hills

"I was involved in a car accident and injured my back, neck and ribs. The medicine I was prescribed didn't help and actually made my stomach upset. I was unable to exercise or jog and even sleeping was difficult. After a couple weeks of treatment, my pain is going away and I am able to do the exercises in the office. I am sleeping normal and my energy levels are rapidly coming back. One of the biggest benefits I feel is the staff. Their support and consideration keeps me motivated and helps my progress. They are professional and are handling all of the paperwork which makes it easier. I look forward to my appointments there."

THE FACE OF
CARING

JIM NOWAK
Family First Caregivers

The services at Family First Caregivers help mom and dad stay independent and happy in their own home. This senior home care service does things differently. The company is locally owned and family operated - not a franchise. President, Jim Nowak and his family live in the area the company serves, and that neighborly connection flows through every aspect of the business. "We treat our staff and clients like family because that's how we feel about them," Nowak says. "Our family is proud to have dedicated more than 10 years of service to the greater Cleveland area, and we look forward to many more."

"I started the program because I was concerned about my health. I want to prevent problems because I am very busy and care for a lot of people who rely on me. The program works and was not nearly as difficult as I thought it would be. I feel and look so much better and even just after 43 lbs. (my goal is 90 lbs.), I get compliments all the time!" - Patricia H., Norton, OH

"I decided I wanted to lose weight because I want to be there with my kids. So far, I have lost 31 pounds in just 3 1/2 weeks and I am feeling 10X better than I ever have and am able to work without getting winded or tired." - Dan W., Parma, OH

"Only 2 months and I am fitting into clothes and jewelry that I haven't been able to get into since 1990! My knees no longer ache and I can stand and squat down without pain. I haven't had any cravings and my snacks are healthy now. The close supervision from Healthy One Weight Loss makes it easy to stay the course." - Vicki G., Broadview Hts., OH

"At 69 years old, I didn't think I would succeed at this but I have already lost 23.6 lbs in a couple months and well on my way to reaching my goal. Not only that, my blood work shows improvement in my body, and my Energy Levels are Great... the highest it has been in years! I don't have my old cravings for chips anymore either. This was so easy to follow and I would recommend this program to anyone." - Susan J., Broadview Hts., OH

Chamber is helping your business grow to new heights

Since 1918, the North Royalton Chamber of Commerce has been a mainstay in the community, working to help business develop and prosper. Now more than ever, belonging to the North Royalton Chamber helps our businesses reach their goals, and save a lot of money. Members enjoy numerous tangible benefits and, through networking opportunities, they expand their circle of influence.

As a member of the Northern Ohio Area Chambers of Commerce (NOACC), North Royalton Chamber is able to offer its members significant savings in the way of health care insurance, workers' compensation, credit card processing, office supplies, retirement plan administration, overnight delivery, and more. NOACC is the largest independent cham-

ber association in the United States affiliated with more than 120 Chambers of Commerce in Northern Ohio.

The Chamber of Commerce is very active in the community by participating or donating to a number of worthy causes. It organizes and sponsors the annual Community Festival, and hosts the State of the City Address. Recognizing the importance of education, each year the Chamber offers scholarships to graduating high school seniors, and also sponsors the annual North Royalton City Schools Report.

The Chamber office is located at 13737 State Road, North Royalton. Office hours are M-F from 9 a.m. to 5 p.m. To become a member or for more information, call 440-237-6180 or visit nroyaltonchamber.com for a membership application.
