WHAT CAN SENECA LABEL DO FOR YOU?

The technical ability required to produce a quality label results from over 50 years in the custom label printing business. Thankfully, our customer service team makes the process quick and easy by helping you think through several key questions:

■ What surface is the label adhering to?

Material, temperature, environment, and ultimate end use of the label all affect how the label should be made.

■ Will your label need a protective coating or overlamine?

It's important to consider what your label will come into contact with: condensation, abrasives, chemicals and solvents.

■ How many colors will the printed image use?

Our equipment allows us to utilize spot colors, PMS colors, 8-color printing, and 4-color process.

■ Will the label be applied mechanically or manually?

Whether the label is applied by machine or by hand, we can help determine the best roll, sheeted, or fan-folded solution.

The answers to these questions help us guide and navigate you through a wide array of papers, films, foils, dies, and adhesives to make sure we arrive at the best solution for the labels you need created.

Call us at 1-800-251-0514 and visit our website!

Business community coming back from a tough year

*Chamber of Commerce
is here to help*

Slowly, but surely, things are beginning to return to a somewhat normal pace for our area businesses. Although employees of many companies are still working remotely, others are gradually returning to the workplace due to the easing up of restrictions.

Understanding that we were all experiencing the same hardships, to one degree or another, our publication, the *Royalton Recorder*, worked with small businesses to help keep them visible to the community. They introduced ways of helping our local merchants while they were struggling.

As the Chamber of Commerce has done since it began in 1918, it continues to advance and develop the commercial, industrial, civic, cultural and general interest of the city and its trade area.

As a member of the Northern Ohio Area Chambers of Commerce (NOACC), the North Royalton Chamber offers its members many tangible benefits to save them money. Some benefits include discounts on health care insurance, credit card processing, office supplies, energy savings on gas and electric bills, to name just a few. The Chamber has shared with its members a wealth of information from NOACC to assist our businesses in getting back on their feet and resume operations.

The North Royalton Chamber will soon resume monthly luncheons with speakers. The Chamber organizes and sponsors the annual community festival, an annual golf outing, awards several scholarships to deserving high school seniors, hosts the State-of-the-City Address, and School Report to the Community.

The *Royalton Recorder* newspaper, known as the Heart of Our Hometown, has been providing residents with all their local news since 1941.

For information about membership in the North Royalton Chamber of Commerce, stop by at 13737 State Road, North Royalton, OH 44133, call 440-237-6180, email info@nroyaltonchamber.com, news@royaltonrecorder.com or visit nroyaltonchamber.com.
